Learn more about Renaissance Jax Inc – your local FIRST LEGO League Affiliate Partner
www.renaissancejax.org

FIRST is a 26 year old robotics program that engaged over 500,000 students in 90 countries last year. There is over \$50,000,000 in scholarship money for high school participants.

Locally, North Florida will see close to 3,000 students participate in FIRST Programs this year led by Renaissance Jax Inc.

Robot team basics – All teams will need at minimum, kids plus 2 adults, a robot set which will vary based on the program you embark upon, and a tablet or laptop (but no Chromebooks/Netbooks)

FIRST LEGO League Jr. - Up to 6 kids age 5-9

You will need the WeDo2.0 robot set from www.legoeducation.us and we recommend a rechargeable battery pack. You will need a tablet with Bluetooth 4.0 capabilities to work the software. Registration happens at www.firstinspires.org – This level of team can meet as little as 1.5 hours each week for 8-10 weeks.

FLL Jr. Program costs between \$400-800 to start a team with recurring costs less than \$200

FIRST LEGO League – Up to 10 kids age 9-14

For the FIRST LEGO League program, register your team at www.firstinspires.org and watch the available videos. Purchase your EV3 Core Set and Expansion Set from www.legoeducation.us – when you do this, Renaissance Jax will give you a free field setup kit from the year prior. This level of team will need to meet a minimum of 2 hours per day, 2 days per week for 8-12 weeks.

The cost for a Rookie FLL team is \$1200-1800 with returning costs as low as \$600 per year.

Renaissance Jax is offering a co-branded crowdfunding campaign this year to support teams in as many schools as possible and if you are interested, please send us an email to both of the addresses below. Thanks!
